

Alabama Association of Arson Investigators And Fire Marshal's Association Of Alabama

General Vendor Information

Now is the time to reserve your Vendor Booth at the Fall 2010 Training Seminar jointly presented by the Alabama Association of Arson Investigators and the Fire Marshal's Association of Alabama. Your involvement will strengthen our program by providing mutually beneficial networking opportunities and the introduction of useful products and services to the attendees. Vendors will be able to interact with the attendees during the course of the seminar which will provide excellent opportunities to market your company and your available services and/or products.

NETWORKING

The seminar will be held at the Orange Beach Community Center in Orange Beach, Alabama October 11th through October 14th. The designated Vendor area will be located adjacent to the seminar classroom which will provide maximum exposure to the seminar attendees. Vendor Booths are limited and will be assigned on a first come, first serve basis. The Vendor Fee of \$75 must be paid before a booth reservation can be confirmed. All Vendor display materials must fit on a 6 foot table. If a Vendor requires any special allowances for their display, notification must be made at the time a reservation is requested and must be approved.

POTENTIAL NEW CLIENTS

Seminar classes will be held October 11th through October 13th. Vendors will have access to the seminar attendees during those three days. Testing will be conducted October 14th at a separate site. On the night of October 12th, a Shrimp Boil will be held at the Community Center and will offer additional time for Vendors to interact one-on-one with seminar attendees. The Vendor Fee includes two tickets to the Shrimp Boil. Additional tickets may be purchased for \$25 per person.

Set up will occur the afternoon of Sunday, October 10th and break down will occur after class instruction concludes October 13th. If a Vendor does not intend to participate all three days of the seminar, notification must be given for approval when the Vendor Booth reservation is requested. Additional details regarding specific Vendor information will be provided upon confirmation of reservation.

We look forward to a successful seminar this year and greatly appreciate your participation as a Vendor. Questions should be directed to Greg Ross at gregory.ross.lpxh@statefarm.com. **Deadline to register is October 4, 2010.**

MARKETING

NOTE: AAAI and FMAA reserve the right to cancel the seminar for lack of attendee registrations or for any other justifiable reason. If cancellation occurs, AAAI and/or FMAA will notify you no later than five (5) days prior to the seminar date, and refund your registration fee.
